

A STRONG VOICE FOR THE MOUNTAINS

Every Spring I am reminded of the fragile beauty of the place where we live. And everywhere our people celebrate the life we share, with music, images, words and crafts. Because the lives of our people matter, I am running for the North Carolina House District 113.

Come enjoy an evening with me and

Woody Platt, Mike Ashworth and Mike Guggino,
members of the

STEEP CANYON RANGERS

JULY 13 at **Highland Lake Inn & Resort, Grand Ole Hall**, 86 Lily Pad Lane, Flat Rock NC

Sponsors' Reception at 6:15 PM Event begins at 7:00 PM

SPONSORSHIP LEVELS:

\$5000

The **BOG ROSE** orchid is rare and endangered in North Carolina, so you are fortunate if you come upon it blooming in our mountains in May or June. Walk carefully through the woods!

\$2500

The Cherokee used the roots of the **YELLOW FRINGED ORCHID*** to treat headaches and snakebites, and to lure fish. Look for it in our Blue Ridge mountains in August.

\$1000

The **SHOWY ORCHIS*** is pollinated by bees, butterflies and moths. Skunks love the roots! It flowers in our mountains in April and May.

\$500

The **TURK'S CAP LILY*** blooms in July and August. Its pollinators are swallowtail butterflies.

\$250

The **WHITE TURTLEHEAD*** blooms from August to October. Watch out for a bee emerging from the blossom!

•these grow at Hog Heaven, our home in Cedar Mountain, NC

Photo credits: The White Turtlehead is by Timothy P. Spira; all others are by Katherine Schlosser. Thank you both!
